Dear Ms. Mayberry,

Thank you for describing to the NC Curriculum and Formative Assessment Re-review Committee any significant edits/additional information the publisher has for the *Gee Whiz* curriculum since the last review process held by the NC Child Care Commission. This committee reviewed the edits in the letter and made a recommendation for each curriculum and formative assessment submitted for review.

Congratulations! *Gee Whiz* was approved by the NC Child Care Commission with the stipulation that it is used in Family Child Care Homes and Centers Located in a Residence. We are pleased to include the curriculum on the approved curricula list for four-year-old children in four and five star family child care homes (FCCH) and centers located in a residence (CIR), and FCCH and CIR programs choosing to use an approved curriculum to receive a quality point toward the NC Star-Rated License.

Please contact us at dcdee.curriculum.review@dhhs.nc.gov anytime you need to update your contact information so that we can include you on future communications. Thank you for your efforts to provide quality curriculum for early childhood programs.

Sincerely,

A handwritten signature in blue ink that reads "Sheresa B. Blanchard".
